Professional Summary

Highly skilled Front-End Developer with over 4.5 years of experience specializing in building dynamic, responsive, and user-friendly web applications using React.js and Next.js. Proven expertise in JavaScript, TypeScript, and modern front-end frameworks, with a strong focus on performance optimization and clean, reusable code. Experienced in collaborating closely with back-end teams to deliver seamless and high-quality web solutions. Passionate about continuous learning and staying updated with the latest technologies and trends in web development.

Professional Experience

React Front-End Developer – Soft Tech

St. Petersburg, Russia

July 2020 – February 2024

- It is developed and maintains front-end codebases for various web applications using React.js and Next.js, ensuring high performance and responsiveness.
 - She has collaborated with design teams to create landing pages, blogs, dashboards, e-commerce sites, and inventory management systems.
 - Migrated and updated legacy applications to modern tech stacks using JavaScript and React, improving code quality and reducing technical debt.
 - Created interactive, responsive user interfaces with frameworks like Tailwind CSS and utilized tools like Zustand and Redux for efficient state management.
 - Integrated front-end features with AI applications and backend services, ensuring smooth functionality and compatibility.
 - Wrote reusable components and optimized code to minimize load times, resulting in a 20–30% increase in site performance.
 - Worked closely with backend teams to ensure cohesive, high-quality web experiences, aligned with project requirements.
 - Key Technologies: HTML, CSS, JavaScript, TypeScript, React.js, Next.js 13/14, Tailwind CSS, Redux, Redux-Toolkit, Zustand, React-Hooks, MongoDB, GitHub
-

Projects

MasterCoin

A mock trading platform simulating a real trading experience. Users receive a confirmation email upon registration and activate their accounts using a code. New users get a \$100 virtual credit to trade various cryptocurrencies. The platform includes simulated deposit and withdrawal features, real-time updates of crypto prices using API integration, and QR code functionality for crypto addresses.

- **Technologies:** Next.js, Tailwind CSS, MongoDB, Next-Auth, TypeScript, Zustand, ShadCN, API
- [Live Demo](#)

E-commerce Website for Mobile Phones & Accessories

Developed a full-fledged e-commerce application for selling mobile phones and accessories. Worked on building an interactive and user-friendly front-end interface, integrated with Redux for state management.

- **Technologies:** React.js, CSS, Redux
- **Note:** This project is private, and the demo link is not available.

Blogs for Startups & General News

Developed blog platforms to showcase company news for startups and general content, integrated with various APIs to fetch news from social media platforms such as Facebook, X (formerly Twitter), and others.

- **Technologies:** React.js, Next.js, Tailwind CSS, Redux, MongoDB, Firebase, AppWrite, APIs
- **Note:** Projects are private, and the demo links are not available.

Technical Skills

- **Programming Languages:** JavaScript (ES6+), TypeScript, HTML, CSS
 - **Frameworks & Libraries:** React.js, Next.js, Redux, Redux-Toolkit, Zustand, React-Hooks
 - **Design & UI:** Tailwind CSS, Bootstrap, ShadCN, Responsive Web Design
 - **State Management:** Context API, Zustand, Redux
 - **Other Technologies:** GitHub, MongoDB, Firebase, AppWrite, jQuery, JSON, AI Integration
 - **Tools & Testing:** Git, GitHub, Jira, VS Code, REST APIs, Continuous Integration, Performance Optimization
 - **AI Applications:** Good experience in integrating AI-based tools and applications in web projects
-

Education

Bachelor of Commerce – Zagazig University
Zagazig, Egypt
September 2014 – June 2018

Key Strengths

- Excellent problem-solving skills and ability to troubleshoot effectively.
 - Ability to work efficiently under pressure and meet deadlines.
 - Strong passion for continuous learning and staying updated with the latest tech.
 - Excellent communication skills and team collaboration.
 - Ability to work long hours consistently without compromising on performance.
 - Flexible with hourly pay rates for long-term projects.
-

Personal Information

- **Date of Birth:** May 18, 1996
 - **Languages:**
 - **Arabic:** Native
 - **English:** Proficient (Good level of spoken and written communication)
-
